

COMPLIANCE OF CHIORINO CONVEYOR AND PROCESS BELTS FOR FOOD PRODUCTION

CHIORINO conveyor belts for the food industry conform to the following regulations:

EUROPEAN REGULATION 1935/2004/EC

EUROPEAN DIRECTIVE 2002/72/EC

and its amendments

FDA (Food and Drug Administration)

According to the European
Regulations, companies operating
in the food industry MUST require
a declarations of compliance
for any belt used in direct
contact with foodstuff.

CHIORINO releases these declarations as required by the European Regulations.

For information on the safety of CHIORINO belts for the food industry, please contact our consultants at: food.info@chiorino.com.

Your CHIORINO representative will respond to your request.
